RON'S CHILLABLE RED
CALIFORNIA

Since 1972, Ron Rubin has been innovating in the beverage industry to bring you a beautiful experience. Ron's Chillable Red is meant to be served chilled.
Ron's Chillable Red has great balance of sweetness with a hint of bubbles.

TASTING NOTES:
Fresh and lively, slightly spritzy with a refreshingly low alcohol. The vibrant red hue hints at the abundance of strawberry and raspberry aromas and flavors in this fun and modern wine.

This is a wine to be served chilled, even over ice. Wonderful on its own in place of a wine cocktail, it makes a great aperitif or for pairing with dessert.
