RON'S CHILLABLE PINK CALIFORNIA

Since 1972, Ron Rubin has been innovating in the beverage industry to bring you a beautiful experience. Ron's Chillable Pink is meant to be served chilled. Ron's Chillable Pink semi sparkling wine has just right amount of sweetness.

TASTING NOTES:

Fresh and lively, slightly spritzy with a refreshingly low alcohol. The vibrant pink hue hints at the abundance of strawberry, watermelon, citrus flavors in this fun and modern wine.

FOOD PAIRINGS:

This is a wine to be served chilled, even over ice. Wonderful on its own in place of a wine cocktail, it makes a great aperitif or for pairing with dessert.
