

RON RUBIN RUSSAIN RIVER VALLEY 2021 PINOT NOIR

TASTING NOTES

A classic fruit-forward Russian River Pinot Noir. Bright ripe red cherry, plum, and warm silky berry aromas with hints of allspice. Rounded out with toasty vanilla and berry flavors, with a warm and velvety finish. This very approachable wine offers mouth-filling, yet soft and silky, tannins. Ripe fruit flavors are complemented by bright acidity and a gentle oak mid-palate. This Pinot Noir pairs beautifully with sautéed mushrooms, creamy brie cheese, duck and barbecued salmon.

TERROIR

Our Ron Rubin Pinot Noir expresses the true character of world-famous Russian River Valley terroir, while reflecting the versatility of the region. Russian River Valley's morning fog, and cool coastal breezes from the Pacific Ocean, create ideal growing conditions for Pinot Noir. This allows for our 15-20% longer hang-time than that of neighboring areas, allowing our Pinot Noir to retain bright acidity and develop full-flavor maturity.

VINTAGE

A dry winter and relatively cool spring carried into early summer of 2021. With sporadic heat events throughout the summer, the iconic Russian River Valley fog was a savior. Keeping the vines cool and quenched in the evenings. It was a quick harvest in 2021, due to the rising temperatures that carried into fall. With the changing climate of 2021, winemakers were rewarded with dark colors, soft tannins and intense flavors.

WINEMAKING

Our 2021 Pinot Noir was hand-picked, sorted, destemmed and put into open top fermenters, and was cold-soaked for 5-days. It was then fermented, pressed, and stored in French Oak barrels. In addition to growing these grapes on our Estate, we acquired fruit from a few local, family vineyards.

FERMENTATION/AGING

Open top stainless steel tank
Aged in 100% French Oak barrels, 20% new, for 10 months.
